# OUR 2025 HONOREE

**FR. DANIELE  
CRISCIONE, PIME  
2025 GOLF DAY HONOREE**

Fr. Daniele Criscione is a native of Ragusa, Sicily. He is the Mission Center Director of the PIME U.S. Mission Center and serves to bridge the connection between PIME's supporters in the U.S.A. and those who desperately need our help in the missions. Fr. Daniele's path to the priesthood is a unique one, as just after he was ordained a deacon in 2011, he was diagnosed with an aggressive form of Leukemia known as AML. He likes to think of himself as "American on the inside" as a bone marrow transplant from a donor in Los Angeles saved his life.

In 2013, Fr. Daniele was ordained a PIME Priest, receiving his first assignment in Milan, working as Director of Vocations at the PIME

Milan Mission Center. Four years later, he received his mission assignment in Detroit. Since 2019, he has served as PIME U.S. Mission Center Director.

Fr. Daniele's outgoing personality and love for God's Word are often on display as he leads PIME Events or when he says mass around the Metro Detroit area. Now that the PIME U.S. Mission Center has moved from Detroit to Farmington Hills, Fr. Daniele is looking to bring PIME Events to the Center and make it a central hub of mission activity in the Archdiocese of Detroit. He always adheres to the notion that, "You make PIME!" We make our impact on the missions and those who need our help together.

## **CHAPEL DEDICATED TO THE CRISCIONE FAMILY**

PIME's 2025 Golf Day event will help to fund the construction of a chapel for a community in the remote, Chadian village of Bisso II. In addition to providing for this holy place in the name of our 2025 honoree's family, many PIME Mission Development Projects will be funded across the 20 countries where our missionaries are present.
